Notes:-

To rear of main office building of Associated British Ports, Adelaide Street.

1902-03. Probably designed by Edward Seward, architect of Cardiff, for Swansea Harbour Trust. Similar style.

Two storey and attic, three-window domestic building with advanced right hand gable. Red brick, Portland Stone, hipped slate roofs with finial and end stack to right. Gable parapets, moulded cornices over first floor, band courses, keyblocked architraves, small-pane sash windows. Arched ground floor window to right, arched hood on brackets with head corbels to keyblocked doorcase on left, linked side lights, six panel door. Yard entry to left with ball-finial gatepiers and double Art Nouveau ironwork gates.
